

## Scavenger Hunt

This week's theme is **TRUE COLOURS** at Nutrien Wonderhub! We are celebrating the beauty of the world around us, the beauty of diversity and the importance letting our own true colours shine! So, grab some colours and and have fun exploring true colours!

**My favourite colour is:**

\*Draw an item you found in your home that matches your favourite colour

**Red is colour that is often used when talking about love:**

\*Find someone special & get them to write their name in red in the heart.

**Ask someone special what their favourite colour is:**

\*Draw a picture of this special person in their favourite colour.

**It's okay to feel BLUE some days:**

\*Find & draw something BLUE that makes you feel happy, and share it with someone else.

**Celebrate the beauty of DIVERSITY!**

\*Fill this box with all the colours in the rainbow!

**When I see the colour YELLOW, I think of:**

\*Draw the yellow item that you think of and try and find it in your house.

**Going GREEN means to become more environmentally friendly.**

\*Draw a photo of yourself doing something nice for the earth using a green marker/crayon

**My favourite fruit is:**

\*Draw a picture of your favourite fruit

**PURPLE & ORANGE are BOTH secondary colours and don't have any rhyming words.**

\*Find and draw something inside or outside that is purple and orange!
