FOR IMMEDIATE RELEASE – June 8, 2023

Wonderhub is turning 4!

Wonderhub is moving from the thrilling threes to the fantastic fours! We are staying 4-Ever-Young by throwing a wonder-filled birthday party on Sunday, June 25th, 2023.

We will be open our usual 9am-6pm for regular admission and we will also have free activities in the lobby and surrounding area that will take place from 10am - 5pm. There will be a wide variety of activities happening in and around Wonderhub including chalk drawing, bubble playing, juggling workshops, dance parties, special arts and crafts projects and some Balloon Funn! A birthday wouldn't be a party without prizes and gifts, we will have some party favours and door prize draws for all guests who attend our birthday party.

Come and join us for some #wonderfied fun and celebrate being 4-Ever-Young!

Nutrien Wonderhub is Saskatchewan's children's museum located in the iconic Mendel Building in Saskatoon. Our mission is to bring children and families together to create, learn, play and explore without boundaries. As a charitable not-for-profit organization, we bridge the gap between school and home and support intergenerational play and independent discovery. We create environments that naturally encourage children of all ages, backgrounds, and abilities to explore, discover, and learn through play. Within and beyond our walls, we create opportunities for interaction and connection and allow dreams to soar!
