

MELANIE ROGOWSKI NAMED DIRECTOR OF EDUCATION AND EXHIBITS AT NUTRIEN WONDERHUB

An impactful new role at Saskatchewan's only children's museum

May 27, 2024, Saskatoon, SK – Nutrien Wonderhub announced today that Melanie Rogowski will join their leadership team as Director of Education and Exhibits. Originally from Moose Jaw, Rogowski holds a Bachelor of Fine Arts and a Bachelor of Arts Education from University of Regina. For the past 15 years she has worked professionally with theatre companies across the country and has called Saskatoon home since 2014.

The Director of Education and Exhibits is a newly created role that is responsible for the development and delivery of dynamic visitor experiences for the museum. This position provides strategic direction and oversight for all aspects of Wonderhub's programs, exhibits, and visitor experience. As part of the museum's leadership team, the Director of Education and Exhibits contributes to the overall direction of the museum, ensuring strategic alignment of all programs to Wonderhub's mission, goals, and values.

Rogowski joins Wonderhub following nearly six years at Shakespeare on the Saskatchewan where she served as General Manager for the past four years. Her experience includes roles with Prairie Spirit School Division, Persephone Theatre, New Dance Horizons (Regina, SK) and Globe Theatre (Regina, SK).

"I am delighted to welcome Melanie to the Nutrien Wonderhub team," said Leah Brodie, Chief Executive Officer. "Melanie shares our passion for engaging the community through learning experiences rooted in play. Through her education and experience at other non-profit organizations, Melanie brings a unique skill set that will shape our programming vision and expand our impact in the community."

"The Director of Education and Exhibits role excites me as it presents an opportunity to leverage my background in education and arts management for the betterment of children and families across Saskatchewan," said Rogowski. "As a parent of two young kids myself, and with a passion for learning and the arts, I believe in the important role Nutrien Wonderhub plays in shaping formative early learning experiences. I am eager to champion the importance of creativity, learning, and play for children and families in our province."

Rogowski's appointment as Director of Education and Exhibits completes the leadership team put in place by Leah Brodie, who joined Wonderhub as CEO in January 2023. Rogowski joins Leah Brodie (CEO), Richa Bhardwaj (Director of Finance) and Victoria Oster (Director of Development).

About Nutrien Wonderhub

Nutrien Wonderhub is Saskatchewan's only children's museum. Wonderhub brings children and families together to create, learn, and play. At the museum kids explore endless possibilities, enriching their imaginations and their lives. As a non-profit organization, Wonderhub makes learning fun during a key developmental time in children's lives. Located in Saskatoon in the historic Mendel Building, the museum is on Treaty 6 Territory and the Homeland of the Métis.
